

Pragathi Central School Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

Every time our students achieve a milestone, PCS ensures the Prize Distribution Ceremony to be held during our Class Assembly, to honour them, who have made the school proud with their brilliant efforts not only in the academic field but also in the co-curricular areas. Here's the list of such various achievements. Let's begin with ...
