

LIFE SKILLS & VALUE EDUCATION – MODULE-4

Responsibility is important – Responsibility is for me to know

Responsibility Song (children, you must learn this, by-heart)

When I play with toys, I should

Clean them up

That's my responsibility

There's no need to cry

No need to fuss

Doing my responsibility

R E S P O N S I B I L I T Y

No matter how young or old we are

It's just a part of life.

When I clean my room

Or I take my bath

That's my responsibility

So, I just have fun and laugh

Doing my responsibility

R E S P O N S I B I L I T Y

No matter how young or old we are

It's just a part of life.

Doing my responsibilities

Makes my mummy and daddy smile (3)
